

REMARKS

Claims 1, 10, 11, 16 and 17 are in this application and are presented for consideration. By this Amendment, Applicant has amended claims 1, 10, 11, 16 and 17. Claims 9 and 12 have been canceled.

Claims 9-12 have been rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which Applicant regards as the invention. Claims 1 and 9-12 have been objected to because of minor informalities. Applicant has amended the claims to address these issues.

Claim 11 has been amended to clarify that the recess refers to the recess recited in claim 1. Applicant has addressed the other issues regarding claim 9 in claim 1 as claim 1 has been amended to include the allowable subject matter noted in the rejection. Specifically, Applicant has canceled claims 9 and 12 and placed the features of claims 9 and 12 into claim 1 according to the allowable subject matter noted in the rejection. Claim 1 has been amended to clarify that the sleeve is located on the mirror foot, which receives the mirror carrier. It is Applicant's position that claim 1 is allowable as now presented. Applicant has also amended claims 16 and 17 to include the features of previously presented claims 9 and 12. It is Applicant's position that claims 16 and 17 are allowable as now presented as Martin (US 6,183,098) fails to teach and fails to suggest the guide surfaces as claimed. Should there be any outstanding issues regarding this case the Examiner is invited to telephone one of Applicant's representatives at the number listed below.

Favorable action on the merits is requested.

Respectfully submitted
for Applicant,
